

# Spectacular Failures

## Just Jack

Life is but a dream  
Life is but a dream  
Life is but a dream  
Life is but a dreamLife is but a dream in a greater scheme  
Wakin' up is hard to do  
Even if you're quick, somethin' holds you back  
Always waitin' in a queue for someoneTo tell you you're broke  
Or you should not smoke  
Anymore cigarettesPlanets will align, if you give 'em time  
Nostradamus can't be wrong  
And when you least expect, everything connects  
Even when the hope is gone there is youAnd you'll keep your name  
And the things in your brain  
Just might see you through'Cos you are light  
And in darkest night, you shine  
And I guess we're doin' fine  
But there's no escapin' our spectacular failureDiggin' in between things we never seen  
Tryin' to find the missin' links  
All these scientists are tryin' every trick  
Just before the city sinks without traceSo much we've achieved  
So I hope when we leave  
There's a smile on our face'Cos you are light  
And in darkest night, you shine  
And I guess we're doin' fine  
But there's no escapin' our spectacular failure'Cos you are light  
And in darkest night, you shine  
And I guess we're doin' fine  
But there's no escapin' our spectacular failure
