# I Feel Free

## Belinda Carlisle

I feel free, I feel freeFeel, when I dance with you, we move like the sea
You, you're all I want to know
I feel free, I feel free, I feel freeI can walk down the street but there's no one there
Though the pavement's one huge crowd
I can drive down the road but my eyes don't see
Though my mind wants to cry out loud
Yeah, my mind wants to cry out loudI can walk down the street but there's no one there
Though the pavement's one huge crowd
I can drive down the road but my eyes don't see
Though my mind wants to cry out loud
Yeah, my mind wants to cry out loudAs far as I can see, ceiling is the sky
You're the sun and as you shine on me
I feel free, I feel free, I feel freeI feel free, I feel free, I feel free
I feel free, I feel free, I feel free
I feel free, I feel free, I feel free, I feel free, I feel free
