Stars In The Sky

Secret Shine

Take the sun
Take the moon
Take the earth and watch it move
Under Your control
Cause You're all I know
Here's my life and all my heart
I give it all but every part
Is under Your control
Lord You're all I know
Chorus:
The stars in the sky will hang there
'til You tell them to
The faith in my heart will still sing
Of what Your love can do
And even when life weighs heavy on me
I know You're in control
And You're all I need
The stars in the sky will hang there
'til You tell them to
Take the sea
Take the tide
Take the waters watch them rise

Giving praise to You
Always praising You
Here's my voice
And all my soul
Singing freely when
Lord, I'm giving praise to You
Lord I'm praising You
[chorus]The clouds will rain
The seasons change
(Cause You told them to)
The sun will shine
Your burning light
(Cause You told it to)
When You speak your words through my soul
So I know it's true
You're in control

In control
In control
The stars in the sky will hang there
The faith in my heart will still sing
[chorus]The stars in the sky will hang there
