

You Win Again

Martina McBride

The news is out all over town
That you've been seen out runnin' 'round
I know that I should leave but then
I just can't go, you win again This heart of mine could never see
What everybody knew but me
Just trusting you was my great sin
What can I do, you win again You have no heart, you got no shame
You take true love and give the blame
I guess that I should not complain
I love you still, you win again
I love you still, you win again
