

Address In the Stars

Caitlin & Will

I stumbled across your old picture today
I could barely breathe
The moment stopped me cold
Grabbed me like a thief
I dialed your number
But you wouldn't be there
I knew the whole time, but it's still not fair
I just wanted to hear your voice
I just needed to hear your voice
What do I do with all I need to say
So much I wanna tell you every day
Oh, it breaks my heart
I cry these tears in the dark
I write these letters to you
But they get lost in the blue
There's no address in the stars
Now I'm driving through the pitch-black dark
I'm screaming at the sky, oh
cause it hurts so bad
everybody tells me that all I need is time
Then the morning rolls in and it hits me again
And that ain't nothing but a lie
What do I do with all I need to say
So much I wanna tell you every day
Oh, it breaks my heart
I cry these tears in the dark
I write these letters to you
But they get lost in the blue
There's no address in the stars
Without you here with me
I don't know what to do
I'd give anything just to talk to you
Oh, it breaks my heart, oh, it breaks my heart
All I can do is write these letters to you
But there's no address in the stars
