

# Rosalinda's Eyes

Billy Joel

I play nights in the Spanish part of town  
I've got music in my hands  
The work is hard to find  
But that don't get me down  
Rosalinda understands  
Crazy Latin dancing solo down in Herald Square  
Oh Havana I've been searching for you everywhere  
And though I'll neverer be there  
I know what I would see there  
I can always find my Cuban skies  
In Rosalinda's eyes  
When she smiles she gives everything to me  
When she's all alone she cries  
And I'd do anything to take away her tears  
Because they're Rosalinda's eyes  
Senorita don't be lonely, I will soo be there

Oh Havana I've been searching for you everywhere  
I've got a chance to make it  
It's time for me to take it  
I'll return before the fire dies  
In Rosalinda's eyes  
All alone in a Puerto Rican baand  
Union wages, wedding clothes  
Hardly anyone has seen how good I am  
But Rosalinda says she knows  
Crazy Latin dancing solo down in Herald Square  
Oh Havana I've been searching for you everywhere  
And though I'll never be there  
I know what I would see there  
I can always find my Cuban skies  
In Rosalinda's eyes
