

# Sleeping Ute

## Grizzly Bear

Dreamed a long day  
Just wandering free  
Though I'm far gone  
You sleep nearer to me

If I could find peace  
If this night bleeds  
But I can't help myself

So I walk out  
These wandering dreams  
Of the north road  
Dressed gold and green

If I could lie still  
As that grey hill  
But I can't help myself

But it's calm and it's clear  
Collapsed here on the stone  
Delivered to this place  
A vision dark and cloaked

And those figures through the leaves  
And that light through the smoke  
And those countless empty days  
And I dizzy when I woke  
And I live to see your face  
And I hate to see you go  
But I know no other way  
Than straight on out the door

And I can't help myself  
And I can't help myself  
And I can't help myself
