

Work Song

Robert Calvert

You work all night
And it's really frightening
'Cause you're so ambitious It's just a habit
That you have to grab it
You're avaricious I know you'll make it
But I just can't take it
You're so ambitious Nothing's ever going to make you stop
Not even when you've made it to the top You're a workaholic
It's so hyperbolic
You're so ambitious You're so ambitious
You're so ambitious
For the road You're a finance wizard
A Stock Exchange lizard
'Cause you're so ambitious Always talking deals
Turning cogs and wheels
You're so ambitious What has happened to the girl I knew?
When you're rich and famous you'll just say we're through You want a Rolls-Royce motor
And an eighty-foot boat, oh
You're so ambitious Your satisfaction
Is a new transaction
'Cause you're so ambitious Your excitation
Is negotiation
'Cause you're so ambitious You want a house that's Georgian
And ahead you're forgin'
You're so ambitious Nothing's ever going to make you stop
Not even when you've made it to the top You're so ambitious
Am-ambitious
You've got a pinstriped suit
A polka-dot computer
You're so ambitious Your calculator
It says "see you later"
Its voice sounds vicious I know you'll make it
But I just can't take it
You're so ambitious Nothing's ever going to make you stop
Not even when you've made it to the top
