

# Children of the Night

## Blutengel

We need your blood  
We need your flesh  
We want to see you fade to black

We are the children x4  
Do you like our white skin?  
Do you like our eyes?  
Do you want to follow us through the night?

We are your pleasure,  
We are your destiny...  
We are your pleasure,  
We are your destiny...

We're living in the the darkness,  
We hate the day  
We're hunting in the night,  
Take your children away

Your blood is our pleasure we want your soul  
You will never die as a child of the night

We're living in the darkness,  
We hate the day  
We're hiding in the shadow,  
To the moon we pray

We are the creatures of the night,  
We want your blood  
We're the seduction of evil,  
Want to conquer your world

We are the children x4  
We want to kiss your neck  
We want to lick your blood  
Like a taste of sin

We are the children x4  
You will live forever  
You will never die

Come and take my hand

We're living in the the darkness,  
We hate the day  
We're hunting in the night,  
Take your children away

Your blood is our pleasure we want your soul  
You will never die as a child of the night

We're living in the darkness,  
We hate the day  
We're hiding in the shadow,  
To the moon we pray

We are the creatures of the night,  
We want your blood  
We're the seduction of evil,  
Want to conquer your world
