

# Honesty

## King's X

I dont know where to begin  
'Cause I cant tell the shape Im in  
It feels my face is to the wind  
But I cant tell the shape Im inHonesty can kill  
Honesty can heal  
HonestyI take my stay and then I go  
But I cant tell, so I dont know  
If you are high, I must be low  
But I cant tell, so I dont knowHonesty from me  
Honesty be free  
Honesty
