Marmalade Fires

Mum

We throw our loupes, our little phone
Our lovely shorts, oh marmalade firesWe throw our folds, our pots and pans
Our dirty planks, oh marmalade firesWe throw our wardrobe, cleanse out
Marmalade firesWe throw our house, our round blue skies
Our pretty hills, oh marmalade firesWe throw our wardrobe, cleanse out
Marmalade firesWe throw our bowls, our friendly tools
Assist us here, oh marmalade firesWe throw our wardrobe, cleanse out
Marmalade firesWe throw our wardrobe, cleanse out
Marmalade firesWe throw our wardrobe, cleanse out
Marmalade fires
