Beneath The Blue Sky

The Go-Go's

Hey over there what's going on
Where I am they say you're wrong
When my sun is setting
Yours is breaking dawn
Say over there I want to talk
I wonder if we think the same thoughts
What do they teach you
How much have you bought
These days I feel too wise
I think we're sharing the same lies[Chorus]
Beneath the blue sky
We're all alone together
The calm hides stormy weather
And if we stand apart
We'll kiss goodbye
Beneath the blue skyWay over there do you feel it too
In the end there's no privileged few
Everybody wants to live
Their lives through[Chorus]
