Loretta Lynch

God bless-God bless-God help-God stead
Your dread-Your dead-
Who died in the name of
Revenge-revenge-avenge-
Vengeance scream loud-your dead-
Who burn young and died off
God bless-God bless-God help-God stead
Your dread-Your dead-
Who crawl in the name of...
Revenge-revenge-avenge-
Vengeance scream loud-your dead-
Who rise in the nightfall
And under your cruel eye outworn
Are wondering why they died for!God bless-God bless-God help-God stead
Your dread-Your deads-
Who trail and kneel your law
Revenge-revenge-avenge-
Vengeance scream loud-your dead-
That enemies sword accept with awe
God bless-God bless-God help-God stead
Your dread-Your deads-
Who blinded from your crown
Revenge-revenge-avenge-
Vengeance scream loud-your dead-
Who their hopes built up with straw
And under the threat of a hellborn are
Wondering why they died for!CHORUS
Is this the holy thing to see and die
Is this what forbid my heart's delight
Then a dubious being and weak am I
Without caring if I live or f I dieMortals face your holy dream tonight
The sky, the earth, the sea belongs to thee...God bless-God bless-God help-God stead
Your dread-Your dead-
Who blinded from your crown
Revenge-revenge-avenge-
Vengeance scream loud-your dead-
Who rise in the nightfall
And under your cruel eye outworn
Are wondering why they died for!
