More Than Anything (Remix Version)

Point of Grace

[Chorus:]
God loves people more than anything
God loves people more than anything
More than anything he wants
Them to know
He'd rather die than let them go
'Cause god love people more
Than anythingGod loves the weary
When they're too weak to try
He feels their pain, he knows their shame
He cries with those who cry
He won't give up or walk away
When other people do
'Cause god loves people more
Than anything[Chorus:]
More than anything he wants us to go
And show the world so they will know
That god loves people more
Than anything
