

Jack & Ginger

We Are Scientists

Well, it's about that time
I probably ought to go
No matter what I do
It's way too late for self control If you liked it
I was hoping I would know
If you liked it
I was hoping I would know Whoa, oh, oh
Whoa, oh, oh
Whoa, oh, oh Well, anything can happen
Both our numbers on the napkins
Drenched in coke and gin
It's soaking in On the floor, remember
Thanks to all the jack and ginger
Every floor has been
Encouragin' Well, it's about that time
Who knows what's going on?
I guess I should be used
To reading signals in the dark When the lights hit
I was hoping I would know
When the lights hit
I was hoping I would know That anything can happen
Both our numbers on the napkins
Drenched in coke and gin
It's soaking in On the floor, remember
Thanks to all the jack and ginger
Every floor has been
Encouragin' Whoa, oh, oh
Whoa, oh, oh
Whoa, oh, oh
Whoa, oh, oh Well, anything can happen
Both our numbers on the napkins
Drenched in coke and gin
It's soaking in On the floor, remember
Thanks to all the jack and ginger
Every floor has been
Encouragin'
