Love's Secret Domain

Coil

Oh rose, thou art sick
Seduce.. let loose
The vision and the void
Blood sickle.. honey suckIn little children's heavy heads
My dreams erupt while in my bed
Innocence is dripping redIn dreams I walk with you
In dreams I talk with you
In dreams
You're mine
All of the timeHeads on fire and drunken lights
Days devoured by hungry nights
In love's secret domain
This is mad love
This is mad love
In love's secret domainSweet tortures fly on mystery wings
Pure evil is when flowers sing
My heart
My heart is a rose
This is mad love, Oh
This is mad love
In love's secret domainGive sanity a longer leash
Some of us have sharper teeth
In love's secret domainIn dreams I walk with you..
In dreams I talk with you
In dreams..
You're mine
All of the timeOh rose, Thou art sick
The invisible worm
The vision and the void
The blood sickle cuts
And the honey sucksOh rose, thou art sick.
