Safe If We Donâ€™t Look Down

MUTEMATH

Strangers to the ground
We've been running with the sun
Frolic all our sense away
And wonder what we've done

The higher that we take this
The more we must admit
We'll never find our way back
To days of innocence

But I know we'll be safe if we
Don't look down
Oh I know we'll be safe if we
Don't look down

Hide away your fears and take
My arm
Hold your balance
Rest assured we're right where we belong
With our chances
Flying over seas of unknown ground
We won't ever drown
We're safe if we don't look down
