

Over My Head (Cable Car)

A Day to Remember

I never knew
I never knew that everything was falling through
That everyone I knew was waiting on a cue
To turn and run when all I needed was the truth But that's how it's got to be
It's coming down to nothing more than apathy
I'd rather run the other way than stay and see
The smoke and who's still standing when it clears Everyone knows I'm in over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind Let's rearrange
I wish you were a stranger I could disengage
Just say that we agree and then never change
Soften a bit until we all just get along But that's disregard
Find another friend and you discard
As you lose the argument in a cable car
Hanging above as the canyon comes between Everyone knows I'm in over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind Everyone knows I'm in over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
She's on your mind Suddenly I become a part of your past
I'm becoming the part that don't last
I'm losing you and it's effortless Without a sound
We lose sight of the ground in the throw around
Never thought that you wanted to bring it down
I won't let it go down till we torch it ourselves Everyone knows I'm in over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
She's on your mind Everyone knows I'm in over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind Everyone knows I'm in over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
