

Illuminated

RA Scion

Time waits for no one
So do you want to waste some time?
 Oh, oh tonight
 Don't be afraid of tomorrow
 Just take my hand
I'll make it feel so much better tonightSuddenly my eyes are open
 Everything comes into focus, oh
 We are all illuminated
Lights are shining on our faces, blinding Swing me these sorrows
 And try delusion for a while
 It's such a beautiful night
 You've got to lose inhibition
 Romance your ego for a while
Come on, give it a try Suddenly my eyes are open
 Everything comes into focus, oh
 We are all illuminated
Lights are shining on our faces, blinding We are, we are blinding
 We are, we are blinding Suddenly my eyes are open
 Everything comes into focus, oh
 We are all illuminated
Lights are shining on our faces, blinding We are, we are blinding
 We are, we are blinding
