

Hello Stupid

Slick Shoes

I think I'm going to lose my mind
If I screw up just one more time
But as long as you're with me
I'll be alright Seems like I get dumber everyday
Don't you wish that I'd just go away?
Sometimes I don't know why
But I know you're always there I hope it never seems
That I do not care for you
You know it's true
I'll always be running after you And when you call me out
I want to be there
I've always wanted
I've always wanted this Open up my eyes
I wanna see your face
'Coz I know you'll be there
When others fade
No matter what the time
You've always been with me
