

Piece Of My Heart

[Sammy Hagar](#)

Didn't I make you feel
Like you were the only one
And didn't I give you everything I could
Well didn't I get it to you now baby
After all the love I gave ya
There was never enough
Well I'm gonna show ya baby
That this man can get tough
Chorus:
Just come on, come on, come on, come on
And take a
Take another little piece of my heart now baby
Break a
Break another little piece of my heart now baby
You know you got it
If it makes you feel good
Ah yea
Out there in the streets lookin' good
And in your heart ya know it ain't right, it just ain't right
Yea, and ya never, never, never, never hear me when I cry all night
I keep tryin' to tell myself that I
Can't stand the pain
But then ya hold me in your arms ooh baby
And I gotta say it again
[Chorus]
