

# Silence (laguna beach theme)

## Gomez

I've been caught in a trap I set for myself  
I don't want to be here when you could be somewhere else  
So why'd I sit on my hands like a book on a shelf  
Where nothing but dust is falling?  
Everyone 'round here lives in silenceIf I had something to say I'd say what I mean  
How'd you lose all your words? I swear it's obscene, I curse  
How'd you look at yourself as the mirror turns green?  
Yeah, only the fools ignore us  
Everyone 'round here lives in silenceI could wait all my life for someone to think  
I can't open your eyes but I can make you blink at me  
So please don't try to be nice, don't need your advice  
Please leave me to die of boredom  
Everyone 'round here lives in silenceSilence  
They wait for the end  
Silence  
They bow and they bend  
Silence  
Their homes they defend  
Silence
