

Why I'm Walkin' (feat. Emmylou Harris)

Buddy Miller

I got my angel on my mind, that's why I'm walkin'
There's such an ache in this old heart, well, I ain't talkin'
The hand that held mine tight just waved goodbye tonight
I got my angel on my mind, that's why I'm walkin' With an old love in your heart, life ain't worth livin'
And I breathe his name with every breath I'm breathin'
Why could I never see how much he meant to me?
I got my angel on my mind, that's why I'm walkin' Should I pass you on the street and I'm misspeaking
Well, you can blame on this memory I am keepin'
Should my head be bowed down low
Hear my song and then you'll know I got my angel on my mind, that's why I'm walkin'
I got my angel on my mind, that's why I'm walkin'
