Hey, kid hasnt love bit you lately? Well, maybe
Still yet to come to fulfill and erase, yeah raise
And circumstances dancing around my head
Its the way to your soul that holds me aliveLife, life, we forced up the fear
Thats why were wandering
Life, life, life, life, life just hold on my dear
Isnt that why were here, love?
Life, life, life, life, lifeMy baby, she knows the weight that Im under
Life, life, life, life, life, life, sweet life
I could slowly seek and wonder
Many do erase from the eyeI could slowly seek and wonder
Many do erase from the eye
I could slowly seek and wonder
Many do erase from the eyeLife, life, life, life we forced up the fear
Thats why were wandering
Life, life, life, life, life just hold on my dear
Isnt that why were here, love?
Life, life, life, life, lifeMy baby, she knows the weight that Im under
Life, life, life, life, lifeIts gonna be, its gonna be
Its gonna be, its gonna be
Its gonna be, its gonna be
Its gonna be, its gonna beLife, hold on tight to the life
Life, life, life, life
Its going to be our little trial
Life, life, life, lifeIts going to be our little trial
Life, life, life, life
And she holds me alive
Life, life, life, life
