

This Feeling

Alabama Shakes

I just kept hoping, I just kept hoping
The way would become clear
I spent all this time tryna play now
I found my way hereSee, I've been having me a real hard time
But it feels so nice to know I'm gonna be alrightSo I just kept dreaming, yeah, I just kept dreaming
It wasn't very hard
I spent all this time tryna figure out why
Nobody on my sideSee, I've been having me a real good time
But it feels so nice to know I'm gonna be alrightSo please don't take my feelings
I have found a name
So please don't take my feelings
I have found a name
Yeah, if I wanted to, I'd be alrightSo I just kept going, I just kept going
And hoping I'm growing in
Well this good I've found, I spent all this time
Tryna find my way hereAnd I've been having me a real fun time
But it feels so nice to know I'm gonna be alrightPlease don't take this feeling
I have found a name
Please don't take my feelings
I have found a name
If I wanted to, I'd be alright
Yeah, if I wanted to, I'd be alright
