

You Opened My Eyes

Bosson

You opened my eyes, you make me believe
That there is a chance for a guy like me
You opened my eyes
To a whole new world for meBaby, dont you know
That all I wanted was to be by your side
To find a way to the light through the dark
You saw the man that I was deep insideTheres a voice
That was screamin' inside of my head
But I was quiet and peaceful instead
Yes, I have learnt from the things that you saidYou opened my eyes, you make me believe
That there is a chance for a guy like me
You opened my eyes
You showed me someone that no one else can seeYou opened my eyes, you bring me the sun
You make me believe I am someone
You opened my eyes
To a whole new world for meI was lost
And I was scared I was losing my mind
Running away from myself all the time
'Cause there was something I was waiting to findThere you were
'Cause God has sent me an angel from above
You gave me strength, and you showed me how to love
For that I'm thankful for the rest of my lifeYou opened my eyes, you make me believe
That there is a chance for a guy like me
You opened my eyes
You showed me someone that no one else can seeYou opened my eyes, you bring me the sun
You make me believe I am someone
You opened my eyes
To a whole new world for meNow youre gone and though it hurts
To know youre with someone new
You know I always wanted the best for you
You deserve to get the best in life too
I'm grateful for the time with youYou opened my eyes, you make me believe
That there is a chance for a guy like me
You opened my eyes
You showed me someone that no one else can seeYou opened my eyes, you bring me the sun
You make me believe I am someone
You opened my eyes
To a whole new world for meYou opened my eyes
You opened my eyes

You opened my eyes
You opened my eyes
