

Praises

The Rooks

I praise you for the rivers the mountains and the streams

I praise you for the eagle, the visions and the dreams

I praise all your creations the mountains and the streams

I praise you for the eagle, the visions and the dreams I praise you for my children the mountains and the streams

I praise you for the eagle, the visions and the dreams

I praise you for my people the mountains and the streams

I praise you for the eagle, the visions and the dreams

The visions and the dreams, the visions and the dreams
