I-10

Tsjuder

I-10Mean aquatic machine
Generate evil at sea
Unholy underwater mystery
Bring your burning misery
'Till there's nothing left to see
... 'Till the death of your enemy
Like a Vader, like a wolf
Stalk your victims from invisibility
Spawn of the serpent of the deep
Steel-spirit - hunt down all ships
Son of evil industry
Dark danger of the sea
Japanese war machine
Diesel-demon unseen
Let the water burn
Bring the scum to their knees
Move to attack formation
Devouring devastation
Move to attack formation
Mechanical mutilation
