Guilty

Masspike Miles

There was a time when I said that I loved you
And there was a time when I really adored you
Oh, suddenly you transformed
Into this person that I can't recognize
It's all because I was so foolish
And I just told you lies
I'm so sorry baby!
Baby, I'm guilty, I'm guilty for turning you out
Baby I'm guilty, I'm guilty for loving you
Somebody take me away
I despise, I can see the despair
Now I got to... 'cause I know that I
I brought you here
Pain, it get you anything, oh is such a shame
I did this to you, oh no
And every time you ask me to explain I made an excuse
And now there's no use
I may have transformed into this person that I can't recognize
It's all because I was so foolish and I just told you lies
I'm so sorry baby!
Baby, I'm guilty, I'm guilty for turning you out
Baby I'm guilty, I'm guilty for loving you
Somebody take me away
Put the handcuffs on me, throw me behind bars
And give me the maximum sentence
Put the handcuffs on me, throw me behind bars
I just don't deserve you, baby!
Put the handcuffs on me, throw me behind bars
And give me the maximum sentence
Put the handcuffs on me, throw me behind bars
I just don't deserve you, baby!
I'm guilty, I'm guilty for turning you out
Baby I'm guilty, I'm guilty for loving you
Somebody take me away.
