

# Hold Me

Farid Mammadov

Should have seen it coming when I saw you  
Should have had the sense to stop and walk away  
It was gonna turn out complicated  
Weâ€™ve hit overload, about to explode

If love was a mountain  
Iâ€™d climb up to the highest of them all  
Iâ€™d swim across the ocean if youâ€™d call  
Iâ€™m lost in your smile, freefalling for miles

Hold me, just unfold me  
Unchain my soul, give me love, make me whole  
Hold me if itâ€™s only  
For this moment in time, now Iâ€™m yours and youâ€™re mine  
So hold me

Take a little time and youâ€™ll know better  
Then to think about giving in on the one you love  
Here weâ€™re going back and freeze the moment  
When we used to be free, was only you and me

Hold me, just unfold me  
Unchain my soul, give me love, make me whole  
Hold me if itâ€™s only  
For this moment in time, now Iâ€™m yours and youâ€™re mine

Remember how we used to laugh, but now youâ€™re running from the past  
Letâ€™s find the strength to carry on  
Remember how when love used to be, you said I was your fantasy  
Canâ€™t take another night alone, so come on home

Hold me, just unfold me  
Unchain my soul, give me love, make me whole  
Hold me if itâ€™s only  
For this moment in time, now Iâ€™m yours and youâ€™re mine

So hold me
