

# Willie's Shades

## Tommy Emmanuel

Blind and Black could make you blue  
Willie Rathbone was a blind man  
Heâ€™d pick and sing for a buck or two  
Songs about the sunshine

Every note was like his last  
Heâ€™d sing the colors of the rainbow  
But Willie didnâ€™t only sing the blues  
Heâ€™s bring you songs of sunshine yellow

Seen enoughâ€¦. Iâ€™ve seen enough  
Seen enough Iâ€™ve seen enough  
Lord above Iâ€™ve seen your love  
Iâ€™m looking at the world thru Willies shades

I read the love in every line  
I tried to see the world as Willie saw it  
And it made me wonder who was really blind  
When Willie told the story

Seen enoughâ€¦. Iâ€™ve seen enough  
Seen enough Iâ€™ve seen enough  
Lord above Iâ€™ve seen your love  
Iâ€™m looking at the world thru Willies shades

I read the love in every line  
I tried to see the world as Willie saw it  
And it made me wonder who was really blind  
When Willie told the story

Seen enoughâ€¦. Iâ€™ve seen enough  
Seen enough Iâ€™ve seen enough  
Lord above Iâ€™ve seen your love  
Iâ€™m looking at the world thru Willies shades

Seen enoughâ€¦. Iâ€™ve seen enough  
Seen enough Iâ€™ve seen enough  
Lord above Iâ€™ve seen your love  
Iâ€™m looking at the world thru Willies shades

Looking at the world thru Willie shades  
Looking at the world thru Willie shades  
Take a look at the world thru Willies shades
