

Like a Song

[Eric Paslay](#)

Record turning in your head
That you're always hummin' along to
A melody that wraps around
A rhythm there that gets a hold of you
Turn it on, turn it up
Makes you feel like fallin' in love Move me baby
Move me all night long
You move me, baby
Like a song I can hear your high heel boots
Layin' down that sweet southern groove
The way you walk, the way you talk
I can't help but sing along with you
Yeah, 'cause you, oh Move me baby
Move me all night long
You move me, baby
Like a song, yeah (Take it down, now, now, now, now) Pretty Woman
I'll Stand By You
I Cross My Heart
I Will Always Love You
You Were Always On My Mind
Brown-Eyed Girl
I'll Walk The Line Move me baby
Move me all night long
You move me, baby
Like a song, like a song Move me baby baby
Move me all night long
Move me, baby oh like a song, yeah You move so fine
