

# Hallelujah

## Forever JONES

let me hear You say

Ha ha halle lu lu luyah  
You are big in me X2

My identity is in You  
My identity is in you oh God

Who I really am is in you  
Who i really am is in you oh God

Everything I need is in you  
Everything I need is in you oh God

Ha ha halle lu lu luyah  
You are big in me X2

You are my source,  
my self-esteem, my everything,  
so that you are oh God X2

Ha ha halle lu lu luyah  
You are big in me X2

This is my favourite part

All my fears  
and my impatience  
Fade away when I recognize X3

fade away X5

Ha ha halle lu lu luyah  
You are big in me X4
