

# Hoodrat

## Compton's Most Wanted

I guess I'll start by saying the bitch aint worth a penny  
And when it comes to fucking, geah, she fucks plenty  
Known around the hood cause she's got much clout  
In a circle to the homies like a damn bus route  
Geah, in the back seat somebody's finger fucking  
Just like a chicken on my dick she's plucking  
Oh geah, a chicken head bitch is what you call her  
Fucking everybody from clucks to ballers  
I know you seen her coming from the 10 dollar motel  
2 Hours is what you get to make this bitch yell  
Holler and scream, climb the walls  
Open your mouth bitch here comes the balls  
And don't fake hoe, because I'm ready to rock ya  
Killing that twat off just like my man Shocker  
Hoe is hotter than salsa, but leave that  
Drama nigga you can toss her, cause she's a hoodrat  
She's sneakier than a fucking devil  
Just like Bushwick said, geah she's on the other level  
Some St. Ides brew and the bud you can work this  
Turning tricks like a clown in a circus  
And don't get sprung, your little dick  
24 7 Everybody sticks, geah  
Thats the way it is, thats how it goes  
Sucking up nuts like water from a garden hose  
So boys strap the jimme when its hard  
Cause the juices might be charged  
And geah, she got the shit that kills  
And you'll be pulling out an electric eel  
Fucking everyday, just to get her propers  
You might get hooked but she wont stop the  
Sucking and fucking and geah its just like that  
Dirty as hell, damn, another hoodrat  
Now the shit done hit the fan because the bitch is plump  
And she don't know cause she was fucking like 20 chumps  
And thats a damn shame. Dont know his last name  
Might come out Freddy Krueger cause they all ran a fucking train  
But, fuck no, she's not a tease  
Even when she's pregnant the rat likes to skeez  
So here's the dick hit it please  
Nibble on my stick like cheese  
After fucking everyone, look at what the hoe done

Got dick whipped and now the bitch is sprung  
But a little game and you'll still get the tramp  
Giving up her county checks and the food stamps  
So watch out your shit if you hear the claps  
Cause the claps is so horny for the traps  
So I guess if that bitch is a hoodrat  
She won't get Eih by his mutherfucking hood cat, geah
