

# Give Me a Reason

**Bang!**

This is another lonely morning  
It feels like another lonely night  
I'm almost sure I'll give up hoping  
Or shouldn't I give it one more try

Give me a reason  
To hold on to this love  
Give me a reason  
To stay strong in my heart  
Show me a reason that I go on  
Words came straight from the start  
All alone

Give me one good reason  
A reason to go on  
Did I just see a tear in your eyes

Did I just miss a silent sign  
Is it the end or is it my mind  
Making it hard for you to try  
Give me a reason  
To hold on to this love  
Give me a reason  
To stay strong in my heart  
Show me a reason that I go on  
Words are straight from the start  
All alone  
Give me one good reason  
A reason to go on
