

Baby Doll

N*E*R*D

Girl you don't know what you are to me

You are my baby doll

You are my compass star

You drive me up the wall

Girl you don't know what you mean to me

You are my everything

You are my alien

From S-p-a-c-e Please don't go

Wait

I just met you Please don't go

Wait

I just met you Please don't go

Wait

I just met you Girl I feel just like a bird

Though I am just a nerd

I could fly around this world

With power from this word

We'll bring the desert rain clouds

Fuck reality and doubt

Well they'll be vultures I see

They'll chase me

Girl I'm flying with thee Roses are red

Yellow and white

Where have you been all my life

Violets are blue

And I'll be too

If you leave

'Cause I just met you Please don't go

Wait

I just met you You're my pop rocks

You're my cotton candy

When the beach is hot and sandy

You're my water

You're my morning shower

Subconscious melody

You're my LSD

Someone's perfect daughter Roses are red

Yellow and white

Where have you been all my life

Violets are blue
And I'll be too
If you leave
'Cause I just met you
Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you
Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I just met you
