

Opium

Marcy Playground

Blue like water, water
Blue like heaven is all of the time
And I'm all right
I'm just gagging on all the all right I'm so happy, happy
So happy, happy, oh
I'm in heaven, heaven
Yeah, heaven, heaven, oh
Oh, the season's come for opium Mom, mom
Mom, mom I'm so happy, happy
So happy, happy, oh
I'm in heaven, heaven
Yeah, heaven, heaven, oh
Oh, the season's come for opium
