Take Me Now

Quietdrive

Why am I angry?
Why am I selfish?
Could it be that I'm
Just trying to destroy us?

So come back down
From where you are
All of your friends will be erased
So come back down
I've waited long enough for you

Take me now
'Cause I won't give up on you
(I won't give up on you)
Take me now
'Cause I thought I'd be the one
You'd come back to

Why am I changing?
Why am I helpless?
This should be my right
But you found out how
And you found a way to save me

So come back down
From where you are
All of your friends will be erased
So come back down
I've waited long enough for you

Take me now
'Cause I won't give up on you
(I won't give up on you)
Take me now
'Cause I won't give up on you
(I won't give up on you)
Take me now
'Cause I won't give up on you
(I won't give up on you)
And I thought I'd be the one

Who would support you

You're the only thing
That drives me crazy
You're the only thing
That brings me down
You're the only one in the world
That can save me
Just take my hand
Don't let me down

Take me now
(Just take me now)
'Cause I won't give up on you
(I won't give up on you)
Take me now
'Cause I won't give up on you
I won't give up on you
Take me now
'Cause I won't give up on you
(I won't give up on you)
And I thought I'd be
And I thought I'd be the one
Who would support you
It's no doubt you'll be the one
Who won't take me
