

# The Touch of Your Lips

**Chet Baker**

The touch of your lips upon my brow  
Your lips that are cool and sweet  
Such tenderness lies in their soft caress  
My heart forgets to beat The touch of your hands upon my head  
The love in your eyes, shine  
And now at last the moment divine  
The touch of your lips, the love in your eyes The touch of your lips on mine
