

Save Me (Live Acoustic from Kansas City)

Shinedown

I got a candle
And I've got a spoon
I live in a hallway with no doors and no rooms
And under a window sill
They all were found
A touch of concrete within the doorway
Without a sound Someone save me if you will
And take away all these pills
And please just save me, if you can
From my blasphemy in my wasteland How did I get here
And what went wrong
Couldn't handle forgiveness
Now I'm far beyond gone
And I can hardly remember
The look of my own eyes
How could I love this,
My life so dishonest
It made me compromise Someone save me if you will
And take away all these pills
And please just save me, if you can
From my blasphemy in my wasteland Jump in the water
Jump in with me
Jump on the altar
Lay down with me
My hardest question
To answer is why
Why Someone save me if you will
And take away all these pills
And please just save me, if you can
From my blasphemy in my wasteland Someone save me [Repeat: x2]
Somebody save me [Repeat: x2]
Please don't erase me
