Nineteen Forever

Joe Jackson

Sometimes I feel so alive
Sometimes I see so clear
Just like the way we always were
So young and free from fearI lose my fear of war and dying
And all the clouds just disappear
Only my mirror sees me crying
Each time I lose another yearWouldn't it be a drag to be like you?
Settling down and having kids
And telling them what to do
Well I'm gonna stay(19 forever)
Yes I'm
(19 forever)
I'm gonna be
(19 forever)
Yes I will
(19 forever)We can do magic in these times
Be what we want to be
We'll all be rock n' roll stars
Immortal on TVAnd if you see me looking tired
I've just been sleeping thought the day
But I got something to keep me wired
So we can dance the night awayWouldn't it be a drag to be like them?
They're gonna sell out everything
But I won't get fooled again
'Cause I'm gonna be(19 forever)
Yes I will
(19 forever)
No man, I want to sell
(19 forever)
Yeah, I'm gonna be
(19 forever)You better believe it
You know my dream's still alive
You can love it or leave it
But I'm never gonna be 35(19 forever)
Yes I'm
(19 forever)
Well, I'm gonna be
(19 forever)
Now, I want to sell

(19 forever)(19 forever)
Well I'm gonna stay
(19 forever)
This is my life
(19 forever)
(19 forever)
Yes I'm(19 forever)
(19 forever)
You better believe in
You better believe in
Come on
One more time
