Never Let You Go

Colbie Caillat

If we find that our vision is blinding
We should slow down and maybe we will find it
Every heart just needs a little time to growIf we go through a little bit of hard times
You should know that to fix it it'll take time
Baby, hold on before we start to lose controlOh, what can I say? What can I do?
How do we change? I'm not gonna lose youIf the world stops turning, if the sun stops burning
When the cold wind starts to blow I wanna let you know
Oh, I'll never let you goWhen you feel like breaking, when your heart keeps waiting
When the tears begin to flow I wanna let you know
Oh, I'll never let you goDon't hide those feelings inside
'Cause if they talked back they could turn your heart black
How long will it take to for us to let this go?Will you just wait? Will you let loose?
Will you know my feelings are true?If the world stops turning, if the sun stops burning
When the cold wind starts to blow I wanna let you know
Oh, I'll never let you goWhen you feel like breaking, when your heart keeps waiting
When the tears begin to flow I wanna let you know
Oh, I'll never let you goBaby I am standing here and trying to get past the fears
Hoping you won't let me go
Oh, I wanna let you knowIf the world stops turning, if the sun stops burning
When the cold wind starts to blow I wanna let you know
Oh, I'll never let you goWhen you feel like breaking, when your heart keeps waiting
When the tears begin to flow I wanna let you know
Oh, I'll never let you goOh, I'll never let you go
I'll never let you go
Oh, I wanna let you know
I'll never let you goOh, I'll never let you go
Oh, I wanna let you know
I'll never let you go
Oh, I'll never let you goI wanna let you know
I'll never let you go
Oh, I wanna let you know
Oh, I'll never let you go
