

I Spy

Get Cape. Wear Cape. Fly

I spy with my little eye
Something that begins with, 'I don't care'
That this song, has a melody
Or that the beats are not complex I'm just trying to make you sing
And not be perplexed
It doesn't mean any less Face in a crowd
If you don't care then why are you singing out?
Face in a crowd
If you don't care then why are you singing out?
Why are you singing out? And I spy with my little eye
Something that begins with, 'I have just'
I have just begun to realize Put on my favorite song
Forgot this style instructs you to sing aloud
Why don't you sing along? It goes, face in a crowd
If you don't care then why are you singing out?
Face in a crowd
If you don't care then why are you singing out?
And I can hear you singing La, la, la, la, la, la, la, la, la, la,
You're singing
La, la, la, la, la, la It doesn't matter that this song has a simple tune
Even though it's not what I'm supposed to do
What I'm supposed to do?
What I'm supposed to do?
What I'm supposed to do? It doesn't matter that this song has a simple tune
Even though it's not what I'm supposed to do
What I'm supposed to do? And can you hear me going?
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la Now it doesn't matter that this song
Has a simple tune
Even though it's not what I'm supposed to do
What I'm supposed to do?
