

Love Is 4Giving

P.F. Sloan

I was alone and my stomach was twisted
But I can get up now, the dark clouds have lifted
Back in the old life, before you existed
I couldn't see right, my windows were misted
You said one word, made me feel much better,
Starts with L and it's got four letters
Things are looking up, looking up
There's magic everywhere you go
Strangers stop to say hello, hello, hello, hello
Turn it up, turn it up
As loud as you can make it go
'Cause love is on the radio
Now that I've found you, my heart's beating faster
We could be happy forever and after
We could be married, like Mrs. And Mr.
We'll have a son and we'll give him a sister
But just one thing holding us together
A four letter word and it lasts forever
Things are looking up, looking up
There's magic everywhere you go
Strangers stop to say hello, hello, hello, hello
Turn it up, turn it up
As loud as you can make it go
'Cause love is on the radio
Love is on the radio
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio
Funny one thing led to another,
You came along and filled my days with color
And its been an everlasting summer
And since we found each other
Things are looking up, looking up
There's magic everywhere you go
Strangers stop to say hello, hello, hello, hello
Turn it up, turn it up
As loud as you can make it go
Play until your speakers blow
And listen 'til your ears explode
'Cause love is on the radio
