One Way to Go (live)

The Verve

You've got to lift yourself up so high
You can't see the ground
You don't hear a sound
You've got to move it up so slow
You see it all
You'll probably fallI'd rather die than see you fly
Than see you try
I'd rather die than see you fly
Than see you tryIt's like pushing locked doors to get in your mind
I don't care what I find
It's like pushing locked doors to get in your mind
I don't know what I'll findYou've got to move me up
So high it hurts
So high it burns
But if you let me down
Don't bother to call
Just let me fall
I'd rather die than see you fly
Than see you try
I'd rather die than see you fly
Than see you tryIt's like pushing locked doors to get in your mind
I don't know what I'll find
It's like pushing locked doors to get in that mind
I don't care what I find
It's like pushing locked doors to get in that mind
I don't care what I find
It's like pushing locked doors to get in that mind
I don't care what I find
It's like pushing locked doors to get in that mind
I don't care what I find
It's like pushing locked to get in that mind
I don't care what I find
It's like pushing locked doors to get in that mind
I don't care what I findIt's only one...One way to go
One way to goOne way to go
One way to go
