

On This Winter's Night

Lady Antebellum

This winter's night
Stars shine like silver bells
This winter's night
The mistletoe kiss and tell
Snowflakes fall like frosting
And I sit on the street
Strangers look like neighbors
With every smile that you meet But here in my arms I'll keep you warm
And hold you tight
On this winter's night
(We'll look back on the year)
On this winter's night
(We'll count our blessings)
On this Winter's night
We will remember On this winter's night
Icicle lights will trim the tree
On this winter's night
Wrapped a present or two for you and me
Tuck our children into bed
And dream the night away
Til' the sun dawns in the morning
With the joy of Christmas day But here in my arms I'll keep you warm
And hold you tight
On this winter's night
(We'll look back on the year)
On this winter's night
(We'll count our blessings)
On this Winter's night
We will remember The wise man heard the angels sing
Him like soft and robe
The king became a child a long long time ago
And the child became a king
So the whole wide world will know
What Christmas really is This winter's night
(We'll look back on the year)
On this winter's night
(We'll count our blessings)
On this Winter's night
We will remember
