Revolution

Primal Fear

Riding The Electric Storm
I Am A Widowmaker
Taking My Revenge, I'm A Soulbreaker
Howling Through The Space
My Heart's On Fire
The Lust To Kill'em All Is Rising HigherI'll Take My Right Hand - Let'em Go
I'll Take My Left Hand - Let'em Go
I'll Take'em Both - Rip Off Their HeadsChorus:
Feel The Pride In This Game
On My Journey Through
The Land Of Flames
My Unholy RevolutionSomething In My Blood
Is Strong And Keeps Me Going On
I Never Will Forget
Where I Have Come FromI'll Stand Forever - On And On
I'll Fight Forever - On And On
My Spirit's Alive When I Am DeadChorusNever Losin', This Journey Never Ends
Forever Cruisin; Besides My Metal FriendsChorus
