

# Toes

Norah Jones

The current is strong from what I've heard  
It'll whisk you down the stream  
But I never seem to have the time So my toes just touched the water  
My toes just touched the water Daydreamed on the bank again  
I was swimming with the fish  
And I thought this time that it may be true But my toes just touched the water  
My toes just touched the water  
But my toes just touched the water Walked a mile just to find the edge  
Some place low enough to step right in  
Now I'm here and I can't begin to move Walked a mile just to find the edge  
Some place low enough to step right in  
Now I'm here and I can't begin to move The spoiled sun up over there  
It always has to have it's way  
And I know that the river's there to shelter me My toes just touched the water  
My toes just touched the water  
My toes just touched the water
