Use Somebody

Brooke White

I've been roaming around, I was looking down on all I see
Painted faces fill the places I can't reach
You know that I could use somebody
You know that I could use somebodySomeone like you with all you know and how you speak
Countless lovers, undercover, on the street
You know that I could use somebody
You know that I could use somebodySomeone like you, someone like you
Someone like you, somebody
Someone like you, somebodyOff in the night while you live it up, I'm off to sleep
Waging wars to shake the poet and the beat
Well, I hope it's gonna make you notice
Yeah, I hope it's gonna make you noticeSomeone like me, someone like me
Someone like me, somebody
Someone like me, somebodyI'm ready now, I'm ready now
I'm ready now, I'm ready now
I'm ready now, I'm ready now
I'm ready nowUse somebody, use somebody
Somebody, someone like youI've been roaming around, I was looking down at all I see
