And that is the human race
Oh ohSee, one love

VERSE 1
See, just the other day, I saw on CNN
Brutal killing of each other by a true friend
I could not comprehend
So I said to myself maybe the world is coming to an end, cos
Is this love, is this hate, is this war, is it fate oh
I could not relate oh
But there is one thing I can relate and that is the fact thatCHORUS
All we need is one love
One love
All we need is one loveVERSE 2
See, from the beginning of creation
There's been a lot of tribulation
Understand where I am coming from
That this world that we living in is one big mighty prison
We all are natural
We just passing through a journey to wherever we go
Why don't we make that place heaven
And that heaven is this very place that we living in, so
Put your laughter in the air
to see people showing care
People changing attitudes this year
Peace to people on the street
There's nobody gnashing teeth
No kind of evilCHORUS (x2)VERSE 3
All we need is one love
Cos we struggle, and hustle, and laugh
And cry, and shout and do it all together
All we need is one love
We start together
and we cannot leave it out on each other
All we need is one love
Irrespective of the color
Your religion or political border

All we need is one love
Our people hold it, embrace it
Express it and show it
Cos I know it is the answer
Nobody holy pass ei
Look into my eye and tell you pass ei
Nobody holy pass ei
Nobody (x2)Ah yei, ajola dan me
One love (till fade)
